

2001 Toilet Bowl Schedule

Date	Name Location	Team	Record Score	Record Conf.	Team	Score	Record Conf.	Televised Time
Any Day in December	 Best location	Duke 	0-11	ACC	vs Navy 	0-10	Independent	Who would want to televise this one. Maybe NBC, TNN, or UPN since there is no XFL

The Toilet Bowl is comprised of the 2 worst teams in Division IA football. The above are the two worst teams for 2001. The loser would then become the worst team for the year.

Why have this theoretical bowl game? Because it gives one school the chance to at least win one game for the season and at least salvage their reputation.

How did I choose the two worst teams this year?

Well, Duke wins hands down because not only are they 0-11 for this year but their record in 2000 was also 0-11. Maybe Duke needs incentives to play football such as devising a method of hanging a basketball hoop on the goal posts. Of course dribbling a football on a grass field can be a challenge but I am sure the Duke could figure it out.

For Duke's opponent it was a toss up between University of Houston 0-11 and Navy 0-10. After reviewing each team's schedule Houston had more losses to top 25 teams at 3. Navy only lost to 1 top 25 team. Add the fact that last year Navy was 1-10 with their only win against Army and this also is a consideration. So Navy will have to batten down the hatches and hope it can torpedo Duke.

Wouldn't it be great if maybe next year the two teams really played to see what might have been.
