

2004 Toilet Bowl Schedule

Date	Name Location	Team	Record Score Conf.	vs	Team	Record Score Conf.	Televised Time
Any Day in December	 Best location	 U. Central Florida	0-11 MAC		 Western Michigan	1-10 MAC	TBA

First we have the University of Central Florida from the Mid American Conference (MAC). Their record earns them top honors in the Toilet Bowl. The Golden Knights aren't so golden so I guess they will really have to polish their helmets between now and the beginning of the 2005 season. UCF began MAC play in 2002 and their record was 7-5. In 2003 UCF finished 3-9. They are leaving the MAC and will join Conference USA. You hope they will not stink up that conference.

The other contestant is Western Michigan at 1-10. The Broncos lose out over the Huskies of Washington. The reason is Washington's lone win is over New Mexico in the Mountain West while Western Michigan's lone win was over Tennessee Martin which is a Division IAA team. Did I also mention that Western Michigan is from the MAC. Why this has never happened before, two teams are from the same conference. During the season they did not play each other. So go Broncos!

Now let's see, we have a horse in need of taming and a medieval character in need of a horse. Golly, what a scenario! Who will win this contest?
